And you.

You don't have to be rich or famous  
to make a difference in the world.

All you need is a caring heart.

THE EPISCOPAL CHARITIES FUND  
OF RHODE ISLAND

# “You must be the change you wish to see in the world.”

~ Mahatma Gandhi

We need only to look within our own communities to find people in great need. Last year 140 agencies requested \$900,000 from Episcopal Charities . . . almost three times the amount we were able to give out in grants. How many agencies we help, and how much we distribute in grants in the coming year depends on you. Our hope is that every Episcopalian will dig deep - perhaps sacrifice a little - so that we can help more agencies and more people through these very difficult times.
