For more than 60 years, the Episcopal Charities Fund has shown Christ’s love by helping our neediest neighbors throughout Rhode Island. Through direct support of agencies and ministries, we’ve assisted thousands of people in crisis—creating a path out of poverty and despair.

Your gift—of any amount—can bring immediate relief to children who don't have enough to eat, battered women desperate to escape an abusive relationship and struggling families who suddenly need immediate medical care.

Your generosity will help fund programs that find permanent homes for the homeless, provide an opportunity to people who are unemployed to learn marketable skills, and give hope to those who are battling drug and alcohol addiction.

Together, we can be the loving presence of Jesus Christ in Rhode Island. And thanks to an endowment, 100 percent of every gift to Episcopal Charities goes directly to support agencies and ministries in Rhode Island.
